My Dear Friend,

50 I send, enclosed, my check for \$33. in payment of subscriptions to the Liberator. Ten copies for the Phil^a Female Anti-Slavery Society, and one copy for myself. My own was due Jan. 1st. I do not know when the others were due; probably at the same time. I remit the money for them, at Sarah Pugh's request.

I will thank Mr. Wallcutt to send me the receipts for the Soc^y in the name of Annie Shoemaker, who is our Treasurer.

I am very desirous to hear again from Mrs. Garrison, and from you all. I sent her a letter, recently, which, I trust, she received.

I write now in great haste.

Your attached friend,
Mary New.
